securing said end of one of said at least one cross member to one of said at least four frame members with a cross draw member. --

### ***Election/Restrictions***

Claim 1 is allowable. The restriction requirement Species I - IV, as set forth in the Office action mailed on 09/28/2006, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claim 7, directed to IV is no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is
